

MC Dennoh Muendo Website - videos.html Guide

Create a file named **videos.html**.

Use this page to showcase your event hosting videos, interviews, podcast episodes, and promotional clips.

Recommended Sections

- Featured video at the top.
- Event MC highlights.
- Journalism interviews.
- Podcast episodes.
- YouTube and TikTok links.

Embed YouTube videos when available and add short descriptions below each video.

Finish the page with a 'Book Me' button linking to the Contact page.
